DIRECTIONS TO CHURCHWOOD VALLEY SELF-CATERING HOLIDAY CABINS USING MOTORWAY/DUAL CARRIAGEWAY TO ELBURTON - 3 MILES FROM CHURCHWOOD

SAT NAV users. Enter postcode PL9 0DY to Langdon Court Hotel (see Sketch Map bottom right); follow Churchwood Valley signs and you will arrive in a few minutes!

Churchwood is about 7 miles from Plymouth City Centre; 20/30 minutes by car; and approximately 3 miles from Elburton.

Travelling from either Exeter (M5/A38) or Cornwall / Tavistock leave A38 at **Marsh Mills** roundabout and follow signs to Plymouth City Centre A374

Follow the A374 sign-posted City Centre/Kingsbridge - a dual carriageway running along the side of the River Plym.

Look out for the RAILWAY BRIDGE above the road, then **FILTER LEFT** onto the A379 KINGSBRIDGE/PLYMSTOCK road to cross the river and continue on the dual carriageway A379 heading East. (NB. Not all Sat Navs have been updated since the completion of recent major road works, so we advise you to follow the instructions above)

At the 4th roundabout by the Elburton Hotel (see map), turn **RIGHT**.

If travelling West from Totnes or Modbury on the A379 at the 1st roundabout turn **LEFT** (Elburton Hotel).

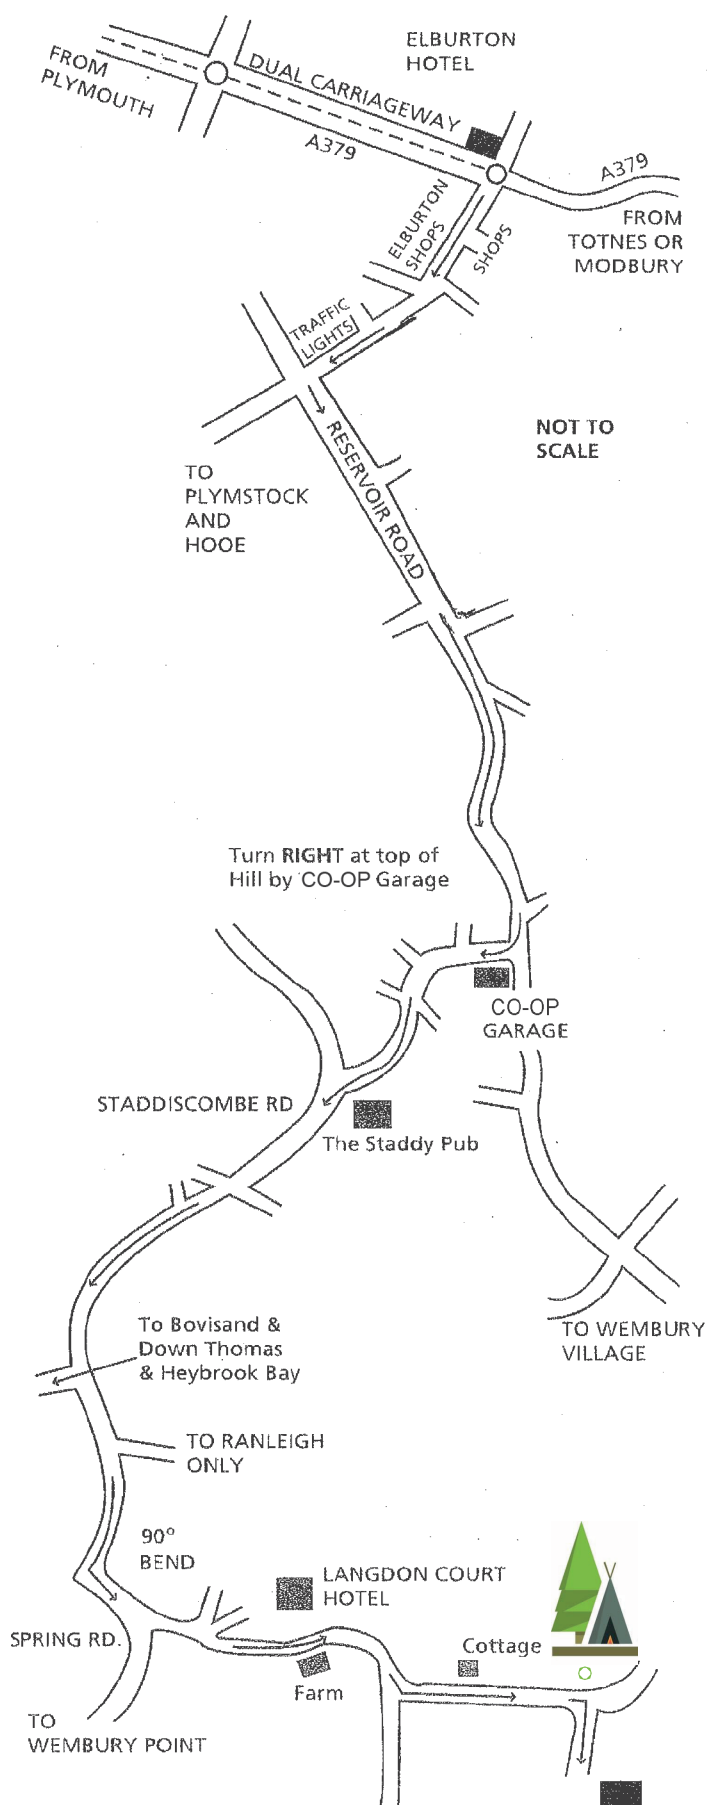

Go through Elburton village and look for the brown LANGDON COURT sign at the traffic lights and turn **LEFT** into Reservoir Road.

(From here the route is sign-posted LANGDON COURT and later, Churchwood Valley)

Continue on Reservoir Road until you see the CO-OP garage. Before the Garage turn **RIGHT**: **DO NOT** drive straight on or follow the Wembury sign! At the next 'T' junction, with The Staddy Pub on your left, turn **LEFT** into Staddiscombe Road. After just over a mile of narrow country lanes you come to a:

90 DEGREE LEFT-HAND BEND. Slow down for this bend! Then take the **LEFT-HAND FORK** on the next bend (small Churchwood Valley sign) and you immediately pass the entrance to: **THE LANGDON COURT HOTEL.** Keep to the lane past Langdon Court until you see a large **CHURCHWOOD VALLEY SIGN** directing you to turn sharp **LEFT**. Our main entrance is 1/10th mile along this lane on your **RIGHT**
